MEETING ROOM POLICY

Approved September 15, 2009

The Brunswick-Glynn County Library meeting room is available for lawful public use on an equitable basis. Programs sponsored by the Library, Glynn County Government, the City of Brunswick and the Glynn County School System take precedence over programs by outside groups.

All meetings or programs held in the auditorium must be free of charge and open to the public. No fees, dues or donations may be charged to or solicited from those attending non-library meetings held in library facilities.

Permission to use the meeting room does not constitute an endorsement by the Library.

The auditorium is not available for private social functions such as weddings, birthdays or anniversary parties, or for individual use.

The St. Simons Island Public Library does not have a meeting room available for use.
