

Music Appreciation With Dr. Clive Henery

- **January 20**— Join us for this winter's first Music Appreciation Lecture at the Brunswick-Glynn County Library. The program is entitled "**All Creatures Great and Small**". With Dr. Clive Henery's guidance we will explore music inspired by our animal friends.
- **February 10**— February is a month for romance. Join us at the library as Dr. Henery treats us to an afternoon of amorous music in the classical vein. His talk, titled "**Love and Marriage**", might not give us a better understanding of marriage but it will guide us to a greater appreciation of the music.
- **March 16**— "**Keyboards Galore**" will be Dr. Clive Henery's theme for his third and final music appreciation lecture at the Brunswick Library this winter. Join us as Dr. Henery takes us on a guided tour of keyboards and their music through the ages.

Join us as Dr. Henery returns to the Brunswick—Glynn County Library, entertaining and enlightening us with a wonderful selection of music. This winter's series of programs includes music inspired by animals, love and keyboards. Don't miss this opportunity to be guided by the delightful Dr. Henery to a greater understanding of the world of music.

All three programs begin at **3pm** and take place in the Brunswick—Glynn County Library Auditorium
